

Phnom Penh for Kids!

Our suggestions for entertainment and educational activities while you are visiting Phnom Penh with family.

1 / RECREATION CENTERS

- + > **Kids City Asia** – Opened June 2013, this indoor leisure and educational complex provides activities including rock climbing, laser tag, go karting, and playgrounds for young children. Toddlers have a whole floor for themselves, Toddlers Town.

Preah Sihanouk Boulevard // Tel +855 (0) 23 220 08

- > **Monkey Business** – Large playground with swimming facilities and various games, famous in town for its birthday parties. All equipment designed and installed by Playtec, an Australian company.

BKK1, Street 370 // www.monkeybusinesskh.com

- > **Think Big** – Educational playhouse for kids age 4 to 8 years, with a big selection of educational games designed to enhance motor skills and attention span, from Legos to kinetic sand to Wavelay products.

#168 Street 302, BKK1

2/ZOO

- + > **Phnom Tamao Wildlife Rescue Center** – More than a zoo, this is a sanctuary for rescued animals such as gibbons, sun bears, elephants, tigers, lions, deer, pythons, with a vast aviary for endangered birds. Rare Southeast Asian species are to be admired here. A well-maintained 6,000 acre park at only 40 kms south of the city. Please inquire at reception for transportation.

3/WATER PARK

- > **Grand Phnom Penh Water Park** – With slides, inner-tube rides, mechanized water buckets, forts and play areas surrounded by a slow moving moat, this vast water park evokes a medieval castle and its surroundings. At Grand Phnom Penh International City, 7 km north-west of city centre. Check at reception for transportation.
