

HILL STATION

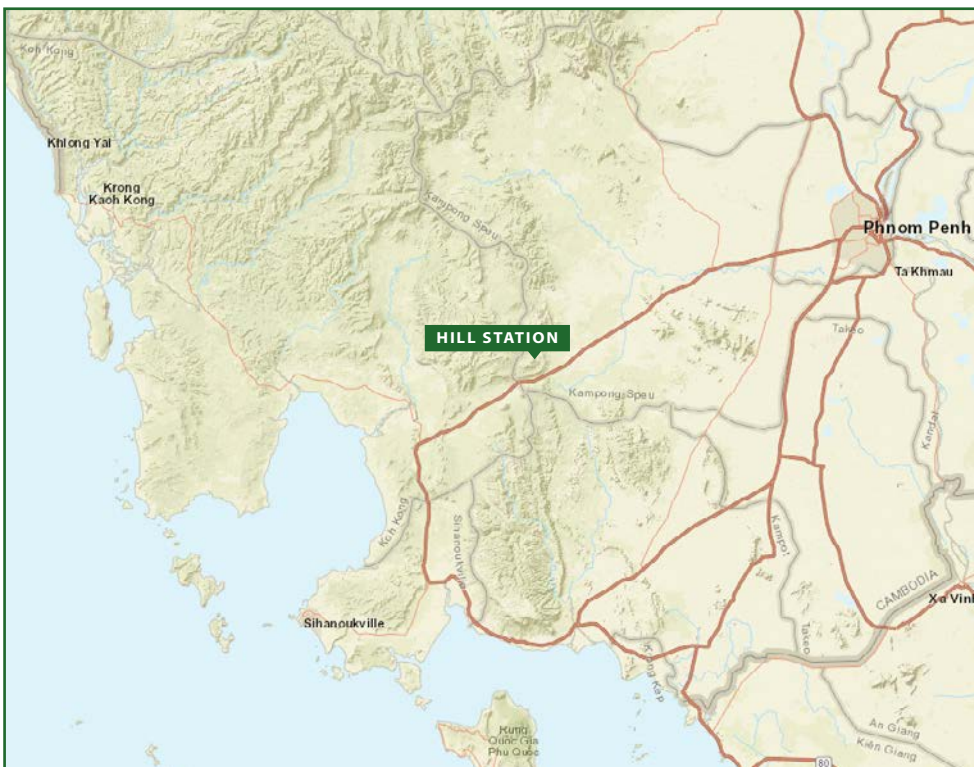

KIRIROM MOUNTAINS

MAADS ✨ HOTEL

A Forest Retreat

Hill Station is a remote chalet at the top of Kirirom National Park, a two hour drive from Phnom Penh. Sitting at 600 metres, the pine forests enjoy temperatures 10 degrees cooler than Phnom Penh, ideal for walks, cycling and picnics. The carefully restored main villa dates from the Sangkum period when it was used as a weekend residence by the Phnom Penh high society.
