

TEMPLATION

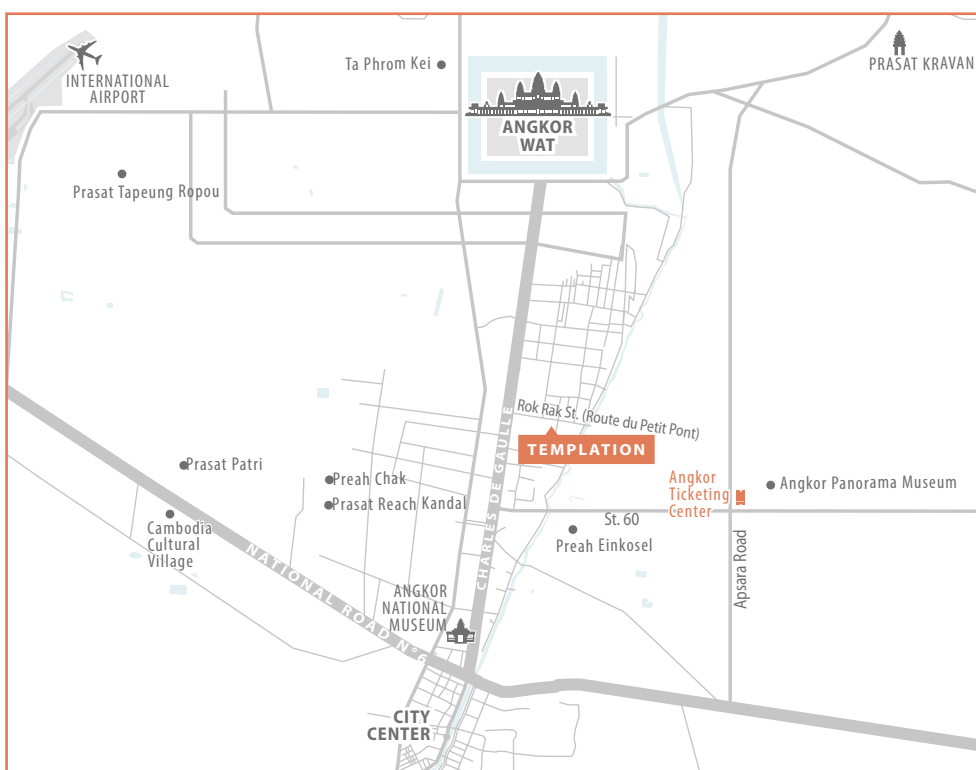

ANGKOR

MAADS ✦ HOTEL

Pool Suites at the Temples Gates

Scattered amongst a two-hectare landscaped property, Templation offers 41 exclusive suites and villas, most with private pools. The grounds feature a wide variety of tropical plants surrounding one of the city's biggest swimming pools. To date, Templation boasts the largest source of solar energy in Cambodia's hospitality sector.

Facilities

The Main Pool

Holding one thousand cubic meters of water, Templantation's pool is one of the largest in Siem Reap.

The Restaurant

Asian & Khmer cuisine are offered alongside Western classics right by the pool.

The Lounge & Bar

Open on three sides, the lounge & bar area keeps one close to the natural surroundings.

The Gym

A small gym overlooking the gardens, with treadmills, a cross trainer and weights.

Bodia Spa

Massages & treatments, specially designed for Templantation including traditional aromatherapy, facial and body scrubs.

The Shop

Exclusive & locally made handicrafts, supporting Cambodian artisans.
